MKC

BEAUTY IS TO BE
FOUND ALL AROUND

Discover more at LincolnCanada.com

AND IT EMANATES FROM WITHIN MKC

Look around. The world is filled with alluring destinations and fascinating sights just waiting to be discovered. When bringing MKC to life, the artisans of Lincoln took notice of this, finding their inspiration in the clean aesthetic of modern architecture and the graceful forms of nature. Innovative technologies harmonize with the beautifully sculpted exterior and exquisitely trimmed interior of MKC in a uniquely elegant way. Empowering you to live in your moment – and travel in style.

To ease your day, the engaging design is thoughtfully enhanced by features like the Foot-Activated Hands-Free Power Liftgate.¹ Simply kick your foot beneath the rear bumper to open or close it. Inside, MKC offers you a flat load floor, abundant space, and the flexibility of a 60/40 split-folding rear seat.

¹Available feature.

PRESENTATION MATTERS.

Which is why MKC presents its controls to you in such a beautifully simple way – one that feels effortless every time you slide behind your hand-stitched Wollsdorf leather-wrapped steering wheel. With its convenient memory feature, MKC recalls your personalized settings for the driver's seat, heated sideview mirrors and more, each time you return. Choose from 7 hues of ambient lighting for the doors, cupholders and footwells to match your personal style. A press of the push-button start brings the engine to life. And the Push-Button Shift Transmission displays each gear as a button of its own – making it easy for you to select Drive and be on your way.

TURBOCHARGE YOUR SPIRIT IN TWO EFFICIENT WAYS

STRESS LESS IN STOP-AND-GO.

Now there's no need to hold down the brake pedal for a long stoplight or extended wait. Just activate the new Auto Hold feature, then come to a complete stop. Even on a hill, the system will hold your MKC in place until you press the accelerator.

2.0-LITRE GTDI SETS THE STANDARD.

Get the kind of performance you might expect from a V6 in a 4-cylinder engine. With 240 horsepower and 270 lb.-ft. of torque,¹ MKC delivers on command thanks to the boost of turbocharging, the precision of direct fuel injection, and the sophistication of twin independent variable camshaft timing (Ti-VCT). During stop-and-go city driving, Auto Start-Stop Technology² can help reduce fuel consumption and vehicle emissions. The system can shut off the engine when you come to a complete stop, and seamlessly restart it when you release the brake pedal or press the accelerator pedal. The result is a fuel consumption rating of 12.1L/100 km city and 9.3L/100 km hwy (23 mpg city/30 hwy).³

The standard 6-speed SelectShift[®] automatic transmission puts the control of a manual shift at your fingertips. Just tap the steering wheel-mounted paddle shifters, and you can change gears if you choose.

2.3-LITRE GTDI INCREASES POWER.

Featured in the Canadian Touring Package,² along with 19" premium wheels, the 2.3-litre GTDI engine offers 285 horsepower and 305 lb.-ft. of torque.¹ It uses the turbocharging, direct fuel injection, and Ti-VCT technologies featured in the 2.0-litre engine to take performance to the next level. It also has a fuel consumption rating of 13.1L/100 km city and 9.4L/100 km hwy (22 mpg city/30 hwy).³

For inspiring performance, Intelligent all-wheel drive (AWD) and Lincoln Drive Control featuring Continuously Controlled Damping (CCD) are standard on every MKC. Use the Sport setting to tighten suspension tuning, firm up steering calibration, and enjoy a more powerful engine sound inside the cabin – all while feeling connected to the road.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Horsepower and torque ratings achieved with 93-octane fuel. ²Available feature. ³Fuel consumption ratings based on Government of Canada approved test methods. Actual fuel consumption will vary for all ratings.

MANOEUVRE THROUGH LIFE ON YOUR TERMS

WHILE ENJOYING EVERY DRIVE.

Even the most tranquil road can surprise you with the unexpected. You'll be prepared with Lincoln Drive Control featuring Continuously Controlled Damping (CCD). Using sophisticated sensors, the system reads the road and your driving input 500 times per second. Then, it adjusts to help deliver a smooth ride and responsive handling. You can also switch between its 3 drive modes – Comfort, Normal or Sport – depending on your mood.

AND STAYING ON TRACK.

Sharp, precise and very well-weighted, Electric Power-Assisted Steering (EPAS) constantly adapts to changing road conditions and compensates for irregularities, so you don't have to.

ESPECIALLY THROUGH THE CORNERS.

Using advanced software and engineering, MKC offers Torque Vectoring Control that actively adjusts the speed between your front wheels for enhanced cornering agility.¹ Handle life's twists and turns with poise and confidence.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

AGILITY PUTS YOU AT AN ADVANTAGE

The easier it is to get around, the more amazing places you'll discover. That's why we made MKC so nimble. Riding on a fully independent suspension, it's a joy to drive down even the tightest city streets.

To help MKC perform at its best in all conditions, Intelligent AWD is standard. The fully automatic system constantly monitors and predicts traction, adjusting torque between the front and rear wheels as needed, typically before wheelslip can even occur. It's designed to effortlessly enhance handling and maximize traction.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. *Available feature.

EASE INTO PRIME POSITION.

Active Park Assist with Park Out Assist¹ helps take the guesswork and stress out of parallel parking. The system uses ultrasonic sensors to help identify a space that is the right size, then steers the vehicle into it. You simply follow the on-screen prompts, and operate the accelerator, brake and shifter as needed. It even provides assistance when pulling out of a parallel spot. And for additional guidance during parking manoeuvres, the Forward¹ and Reverse Sensing Systems can emit beeping tones to alert you to objects near the front or rear of your vehicle.

THE DESIRE TO CONNECT IS HUMAN NATURE

Staying connected should be second nature. That's the thinking behind the design and high-speed performance of our SYNC® 3 enhanced voice-activated technology.¹ Audio, phone, navigation² and other features are concisely presented on the capacitive touchscreen. Steering wheel-mounted controls and simple voice commands let you place and answer calls, plus control music from your devices.

Seamless integration with Siri® Eyes Free brings the power of your paired iPhone® into your vehicle. The Navigation System² features easy destination entry and maps with pinch-to-zoom capability, plus it makes it simple to find a new restaurant and much more. With SYNC AppLink,³ you can use your voice to control select compatible mobile apps while driving, too.³ Automatic updates over Wi-Fi⁴ help keep the system running at its best.

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out when the vehicle is in motion. Not all features are compatible with all phones. Message and data rates may apply. SYNC 3 voice recognition and screens available in English, French and Spanish. ²Available feature. ³SYNC AppLink is compatible with select smartphone platforms and requires compatible apps to be installed and running on a capable smartphone while connected to SYNC. Commands may vary by phone and AppLink software. Message and data rates may apply. ⁴Optional Navigation System map updates cannot be received via Wi-Fi and require a separate update. Data rates may apply.

Every passenger inside MKC has a front-row seat to the concert, courtesy of its Enhanced THX® II Certified Audio System.² Patented sound-processing technology distributes your music's bass evenly throughout the interior and, together with 14 speakers, brings the rich, full sound of the studio to your everyday commute.

Whenever you roam, SiriusXM® lets you listen to your favourites all across Canada. Your 6-month prepaid subscription gets you the best in audio entertainment including 100% commercial-free music from every genre, world-class news, sports, comedy and entertainment. Plus listen anywhere online and on the SiriusXM app.⁵

⁵SiriusXM subscriptions sold after 6-month prepaid period expires. Subscriptions are governed by SiriusXM Customer Agreement; see siriusxm.ca. Data rates may apply.

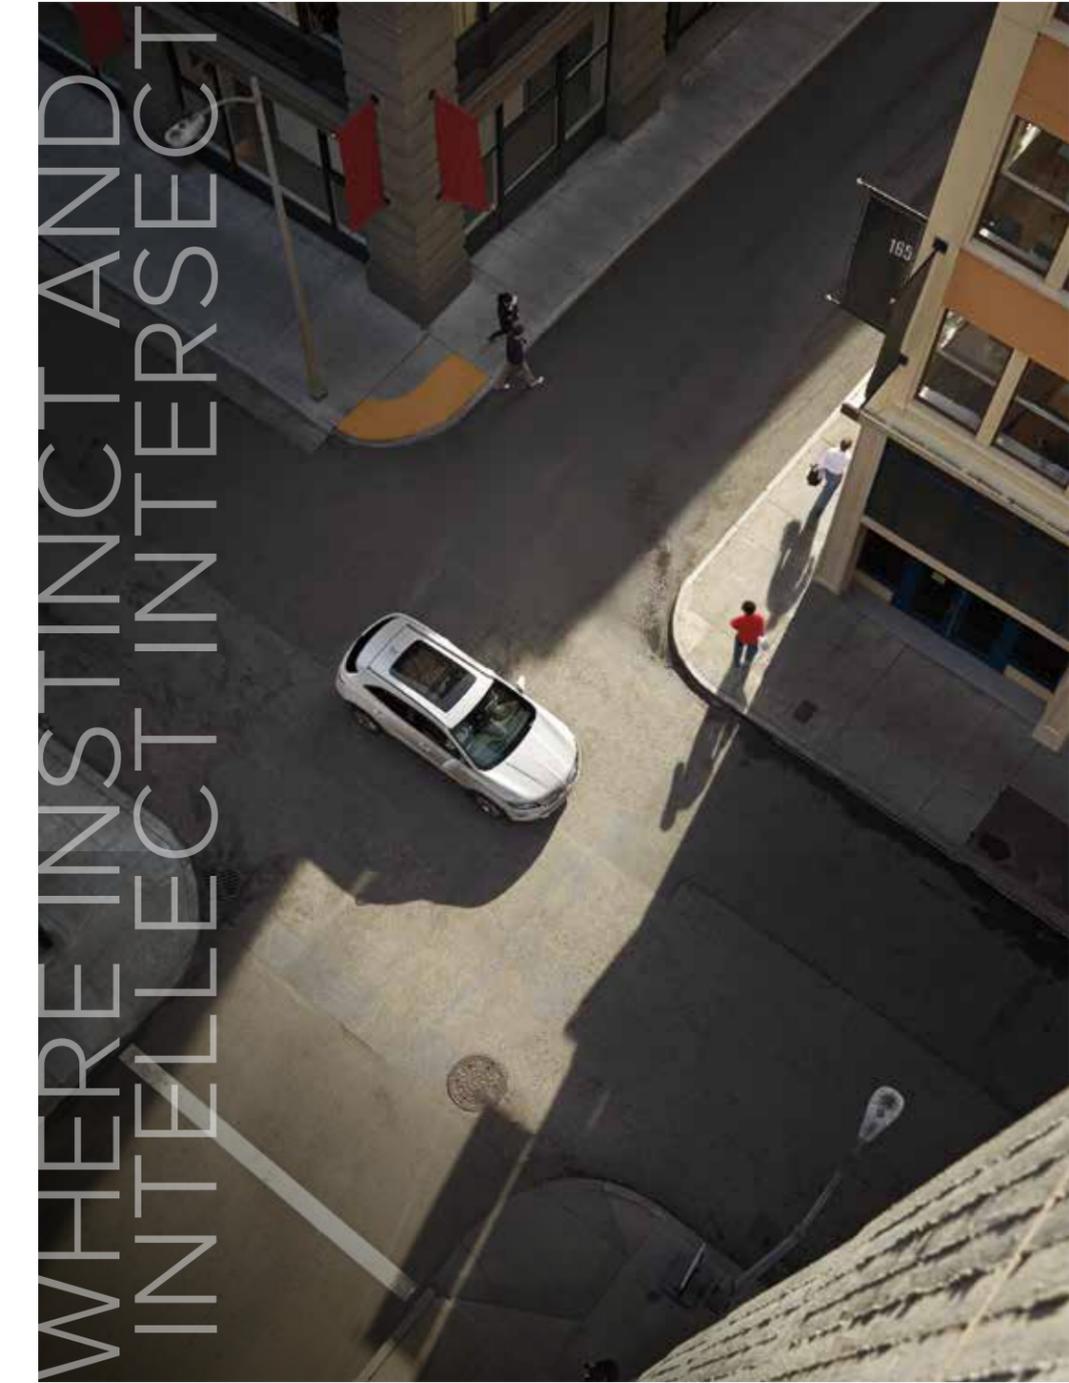

OPEN SPACE IN AN INTIMATE PLACE.

Gather your thoughts and find your focus inside MKC. Surrounded by the peaceful energy of its meticulously crafted interior, relax into your heated and cooled¹ driver's seat, which features power-adjustable lumbar support and a convenient memory feature. Enjoy the feel of its Bridge of Weir Deepsoft™ leather created exclusively for Lincoln. A premium, naturally milled leather made from the finest hides in northern Europe, it's chromium-free and offers a level of comfort typically reserved for luxury furniture. French seams on the seating and genuine wood accents further elevate your experience. A Climate Package¹ for cold weather adds the comfort of a heated steering wheel and heated rear outboard seats, plus the convenience of rain-sensing windshield wipers with a de-icing feature and automatic high-beam headlights.

Active Noise Control sends precise sound waves through the audio system to cancel out sounds it detects, keeping your interior calm. A particulate air filter traps pollen and other irritants to help you breathe easy. And the power panoramic Vista Roof® offers up magnificent views, day after day.

In order to provide this tranquil environment, the Lincoln Luxury Validation Centre meticulously inspects the materials, craftsmanship, fit and finish, and function of each MKC that leaves our facility. Ensuring that it meets Lincoln standards in every way, before you see that it meets yours.

¹Available feature.

WHERE INSTINCT AND
INTELLECT INTERSECT

STAY CENTERED.

If you start to drift out of your lane, the Lane-Keeping System^{1,2} is there to help. Using a forward-facing camera to detect road lane markings, it can apply steering wheel torque and even alert you with a steering wheel vibration to help direct you to return to your lane. If it detects that you've crossed the line or repeatedly drifted, it can prompt the Driver Alert System to chime and display a coffee cup image to remind you that it's break time.

DON'T BE CAUGHT OFF GUARD.

Some vehicles may be out of your line of sight, but they can be detected by BLIS[®] (Blind Spot Information System) with cross-traffic alert.¹ If the system's radar sensors detect a vehicle in either blind spot while you're driving forward, the system can alert you with a light in the corresponding sideview mirror. While backing up, it can also detect a vehicle approaching from either side, then notify you with a warning light and an audible tone.

PLAN AHEAD.

When highway cruising, Adaptive Cruise Control and Collision Warning with Brake Support¹ is designed to eliminate the need for constant adjustments. You simply set the speed, and it can adjust to maintain a preset gap from the vehicle in front of you. If a potential collision is detected, it can alert you with visible and audible warnings and, if needed, precharge the brakes and increase brake sensitivity to help you reach full braking, faster.

Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹Available feature. ²Lane-Keeping System does not control steering.

EACH GREETING IS LIKE
A WARM EMBRACE

When you're away, your MKC patiently awaits your return, to welcome you, invite you in, and even illuminate your path in the darkness.

As you approach, MKC senses your key fob from up to 2.5 metres away and slowly raises its exterior LED lights and headlights. Then, it graciously casts a luminous welcome mat with the Lincoln logo upon the ground beneath each sideview mirror.

LED lights in the door handle pockets glow with an intensity that's fine-tuned to the exterior colour. Once you close the door and relax into your seat, MKC deploys the autofold sideview mirrors with memory according to your personalized settings. It's been expecting you.

START IT SMARTER.

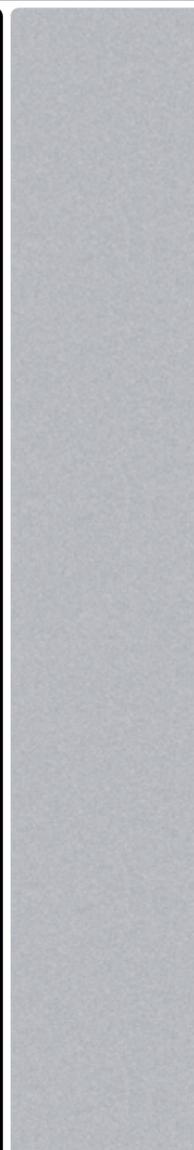

No need to bear the cold or heat when you get inside your MKC. The MyLincoln Mobile™ app – enabled by an embedded modem¹ – lets you use your smartphone to start your vehicle remotely so it can adjust to your pre-selected climate settings. You can even schedule a daily or weekly start time. Locate your vehicle, remotely lock or unlock its doors and more, with just a few taps.

The app is available as a download for most smartphone platforms. Every new Lincoln owner can use it to access Roadside Assistance, the Lincoln Concierge and other premium services.

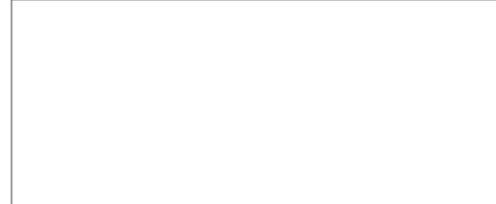

¹Available feature. Embedded modem included on Reserve models. Service included for 4 years. Message and data rates may apply. Services may be limited by mobile phone network coverage area.

WHEEL AVAILABILITY

EXCEEDING EXPECTATIONS

LINCOLN AUTOMOTIVE FINANCIAL SERVICES

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Lincoln Automotive Financial Services. Visit your local Lincoln Dealer, call the Customer Service Centre at 1.855.768.8909 or go to LincolnAFS.ca for details.

LINCOLN PROTECT PLANS

Help protect your investment and add to your peace of mind by complementing your Lincoln purchase or lease with a Lincoln Protect plan. Lincoln Protect offers you protection against unexpected repair costs after your Basic Coverage in the New Vehicle Limited Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your Lincoln Protect plan with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus six wear items. See your Dealer for details.

LINCOLN ORIGINAL ACCESSORIES COVERAGE

Lincoln Original Accessories that are properly installed by the authorized Dealer that sold the accessory will be warranted for whichever provides you the greatest benefit: 24 months/unlimited distance, or the remainder of your 4-year/80,000-km New Vehicle Limited Warranty. Lincoln Licensed Accessories (LLA) are warranted by the accessory manufacturer's warranty. LLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Lincoln Dealer for details and/or a copy of all limited warranties.

LINCOLN ACCESSORIES

WE'RE HERE FOR YOU

It's the collective promise of everyone at Lincoln – from our trusted service advisors and expert technicians, to the voice on the other end of the line should you call – that we'll be here for you and your Lincoln wherever, whenever, if ever, you need us.

LINCOLN LIMITED WARRANTIES¹

Drive confidently – the Basic coverage of the New Vehicle Limited Warranty protects you for 4 years/80,000 km. The Powertrain Warranty, Safety Restraint System coverage and Corrosion coverage last even longer.

ROADSIDE ASSISTANCE FOR LIFE¹

Whether you're at home or out on the road, we're here for you with 24/7 nationwide assistance. If you lock yourself out of the vehicle, run out of fuel, or need a tow – just contact us through the MyLincoln Mobile™ app or give us a call at 1.800.387.9333. As the original owner, you can receive Roadside Assistance at no charge for as long as you own the vehicle.

COMPLIMENTARY CAR WASH²

After completing service on your Lincoln vehicle, we'll return it to you freshly washed – another shining example of our commitment to you.

LINCOLN CONCIERGE

As the owner of a Lincoln, you can take comfort in knowing we're always by your side. You can contact our caring agents at 1.888.658.6554. They're empowered to answer your owner benefit questions and help you with new vehicle features, as well as any other vehicle-related concerns.

COURTESY VEHICLE²

Should your Lincoln require service, you can count on us to be there for you with a courtesy vehicle.

MYLINCOLN MOBILE APP

Available as a download to your iPhone® or Android™ device, the MyLincoln Mobile app provides easy access to Roadside Assistance, your Lincoln Concierge and other premium Lincoln owner services.
