vacation and travel in the premium class

The exciting yet elegant new Canadian Reimo Metris based on the Mercedes-Benz Metris Passenger van spoils the discerning Campingbus vacationer in all areas:

The unique ride comfort lets you arrive relaxed even after long distances. In combination with the optional modular sleeping bench the living area shines with its sitting and sleeping comfort, not to mention its ease of use.

The Canadian Reimo Metris campervan allows a wide variety of uses; as an everyday vehicle that seats 5 to 8 people, as a holiday mobile, as an outdoor or sport companion, as a van and much more.

Long-distance comfort for 5 people

Sliding and removable Variotech® sleeping bench with 3 seats and integrated three-point belts.

With the Vario sleeping roof, the Canadian Reimo Metris not only looks good on the outside. Two comfortable, additional sleeping places (sleeping area 196 x 126 cm), along with the lush standing height it provides are among the many advantages of the Reimo sleeping roof.

Comfort bed for a relaxed sleep

Known for their unique lying comfort: the V300 sleeping bench with its comfort sleeping surface offers a 200x118cm sleeping surface.

The optional sliding seat offers a large amount of flexibility for gear and luggage space. Whether its bicycles, gear, luggage or having the flexibility to passengers of all ages in the back seat close to the front seats - everything is conveniently feasible.

In tandem with the optional Vario Bench the spacious bench drawer offers convenient 95 litre stowage space under the bench seat (ie. For sheets, clothes, etc.)

Convenient stowable table that provides functionality inside and outside the van.

Standard Top of the line Multi-Media product. Improved AV/ and Navigation functionality. Power Android OS with Pre-installed Apps. (Apple Play, Google Air, Navi, MIXTRAX)

Conveniently located under the vehicle's rear hatch the compact galley has everything you need including a work surface to prepare a meal while on your journey.

Handy drawers for cutlery, crockery, pots/pans and other cookware. The one burner cooker tidily stows away in a drawer to eliminate clutter.

The optional high quality 26 litre power cooler is extractable, removable and powered by the 12 volt electrical system.

In the sleeping roof, the spacious bed (196 x 126 cm) with elevated foot height and large, lockable 3 windows (2x mosquito net) offers the best conditions for a dreamy sleep.
